"Doctor's Hours" A NEW and Unique way to Connect Attendees to Exhibitors

At SMTAI you will find something *unique* to all tradeshows. We are matching up your company's technical expert to attendees who have challenging questions that apply to your products or services.

Will a Technical Representative/Expert from your company be spending time in your booth (to support your sales team) at SMTAI? Please check with your experts for any conflicting schedules and let us know the time(s) your company's experts will hold "Doctor's Hours". We will take the times you provide and will promote it to ALL attendees at SMTAI.

NOTE: If you provide us the times for your "Doctor's Hours" in your booth there will be a designation of Rx next to your company listing in the Show Directory. We'll also have on-site signage and a directory listing of exhibitors holding "Doctor's Hours".
