DEBBIE CARBONI

Global Product Line Manager (Electronics) KYZEN Corporation

Vice President SMTA Expo

Debbie Carboni's involvement in the electronics industry started more than 20 years ago and has encompassed a diverse set of experiences that give her a deep knowledge of cleaning chemistry, equipment and processes. Having been with KYZEN for over 10 years, Debbie is dedicated to providing customers and partners with the highest quality customer support and service as well as ensuring that they receive the best technical solutions. Her extensive real world experience helps guide engineers during qualification to ensure success in production conditions. Debbie's dedication to the electronics industry has included a number of roles and voluntary positions in many of the industry's leading associations, and is currently serving her second term on the SMTA Board of Directors as the Vice President of Expo. After attending Northern Arizona University, Debbie remains knowledgeable through numerous technical conferences and leading-edge research. Debbie has authored and co-authored several papers related to cleaning solutions and regularly presents at and attends industry events such as; SMTA International, Cleaning and Coating Symposium, ICSR, Apex. Always willing to share, Debbie is an excellent resource with lots of experience and passion.

You are welcome to call or email Debbie for answers to your questions at debbie_carboni@kyzen.com or +1 215-498-8856.
