

Name: MB (Marybeth) Allen, Manager of Applications and Sales  
Company: KIC  
Location: San Diego, CA  
Phone: +1.858-386-2605  
Position: Manager

MB Allen is a Manager for KIC's sales in the US & Canada. Formerly she was Product Manager and as such she coordinated the advancement of new products and features to accommodate customer needs as KIC added to its portfolio for the electronics industry. Her technical expertise, relationships with valued partners and customers, and many years of sales experience aid KIC in the future development, improvement and sales of the company's product offerings.

MB has worked in the electronics industry for 31 years and been associated with KIC for 30 years with both national and international positions.

KIC's line of products provide the solutions needed for a Smart Factory. Visit our NEW website for information on this and more at [www.kicthermal.com](http://www.kicthermal.com)
