

Paul Golata, Senior Technical Content Specialist, Mouser Electronics

Paul Golata joined Mouser Electronics in 2011. As a Senior Technical Content Specialist, Mr. Golata is accountable for contributing to the success in driving the strategic leadership, tactical execution, and overall product line and marketing direction for advanced technology related products. He provides design engineers with the newest and latest information delivered through the creation of unique and valuable technical content that facilitates and enhances Mouser Electronics as the preferred distributor of choice. Prior to Mouser Electronics, he served in various manufacturing, marketing, and sales related roles for Hughes Aircraft Company, Melles Griot, Piper Jaffray, Balzers Optics, JDSU, and Arrow Electronics. Paul holds a BSEET from DeVry Institute of Technology in Chicago, IL; an MBA from Pepperdine University in Malibu, CA; and a MDiv with BL and PhD from Southwestern Baptist Theological Seminary in Fort Worth, TX.
