

Medical Electronics Symposium 2018

May 16 & 17

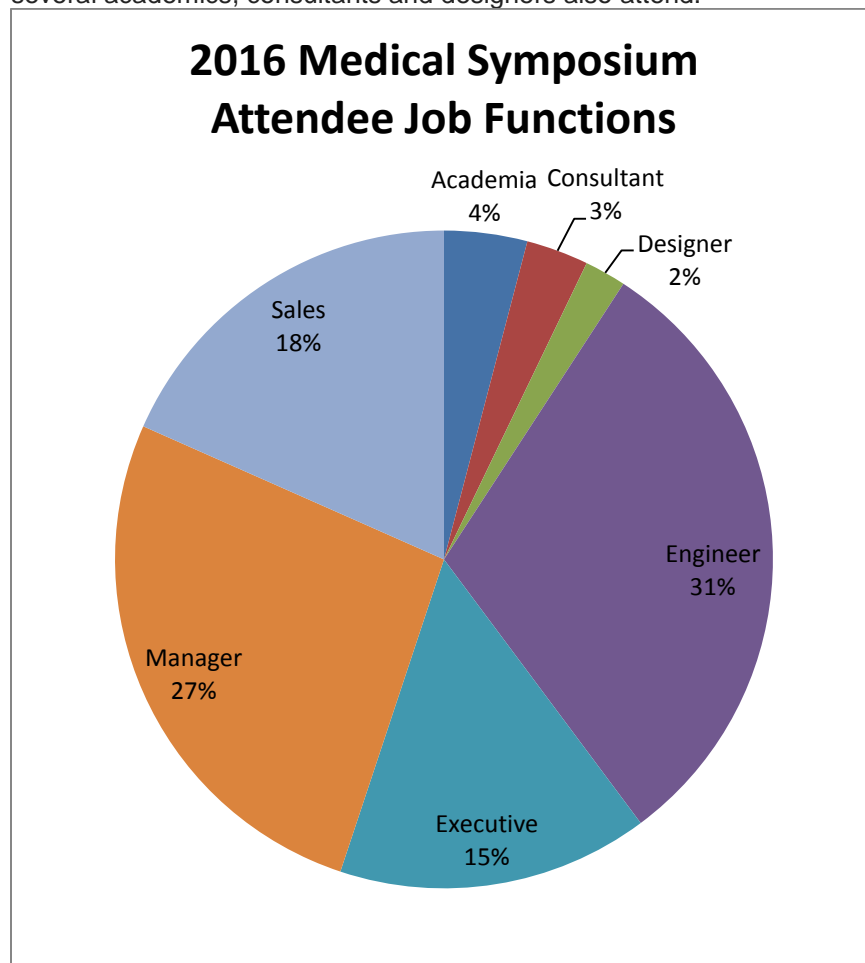

University of Texas at Dallas

Attend the 2018 Medical Electronics Symposium

Contact the SMTA if you have any questions. 952-920-7682

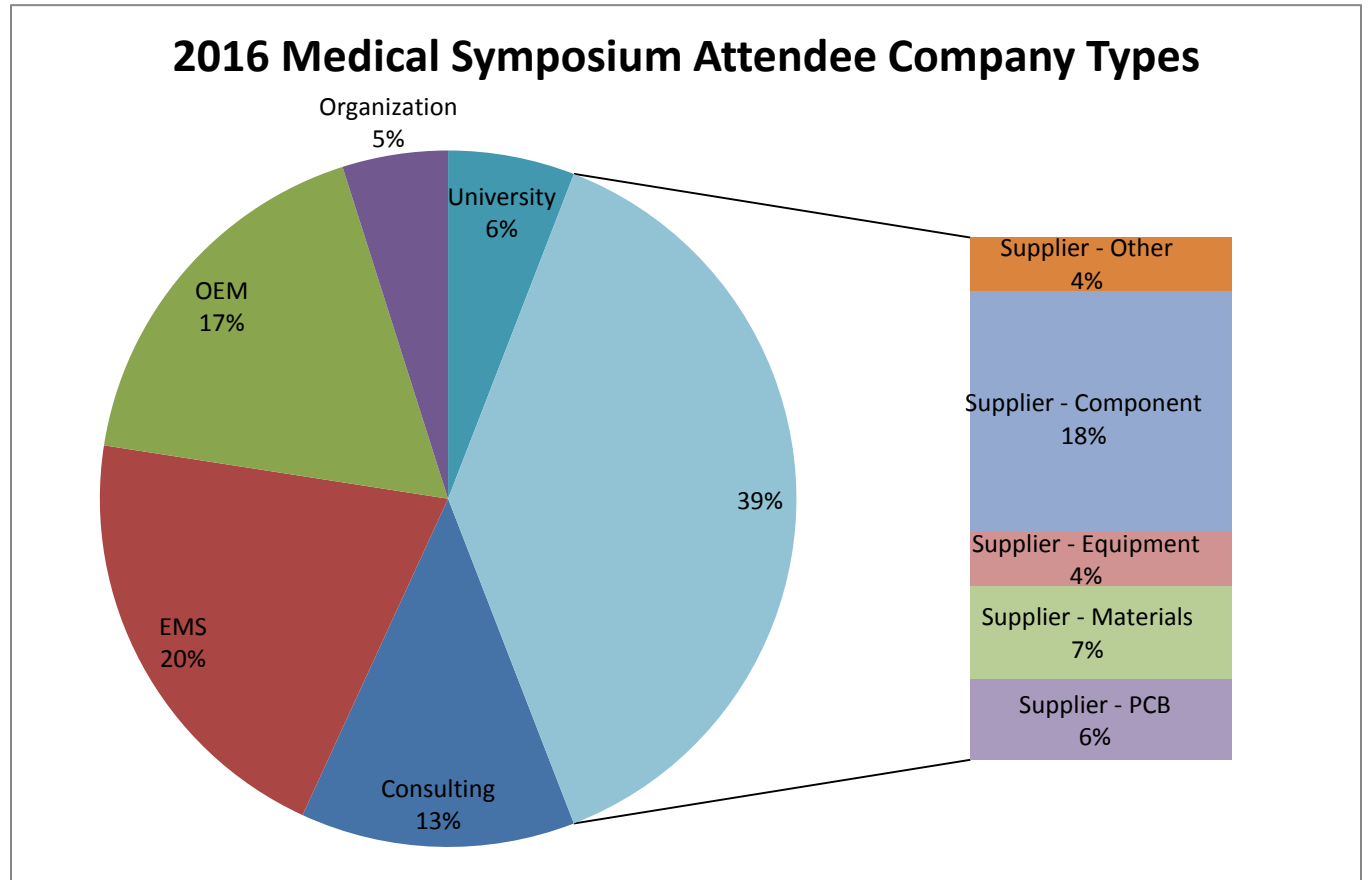

Attendee Demographics:

Job Function: Attendees represent a mix of backgrounds primarily including engineering, managerial, C-level, and technical sales of electronics manufacturing companies serving the medical sector, though several academics, consultants and designers also attend.

Company Types:

- Electronics Manufacturing Service (EMS) companies (i.e. contract manufacturers) like i3 Electronics, LeeMAH Electronics, Micro Systems Engineering, Tektronix, etc.
- Original Equipment Manufacturers (OEMs) like Boston Scientific, HP, Medtronic, Kyocera, etc.
- Semiconductor/IC/sensors manufacturers (suppliers) like AVX Medical, Cactus Semiconductor, Intel, Murata, ON Semiconductor, etc.

2016 Exhibiting Companies:

AT&S Americas LLC
 AVX Corporation
 CORWIL Technology
 Entrepix
 ESI
 Fujikura Ltd.
 I Source Technical Services, Inc.
 IPDiA
 JH Technologies
 Kyocera America Inc.
 KYZEN Corporation
 Medtronic Microelectronics Center

Micro Systems Technologies Management AG
 MicroConnex
 Micros Components
 Murata Electronics N.A., Inc
 NPI Services, Inc.
 NTK Technologies
 Palomar Technologies
 Promex Industries
 SemiDice, Inc.
 SMART Microsystems
 X-FAB SEMICONDUCTOR FOUNDRIES
