

# Tech Tours

These tours will showcase the latest technologies, equipment and solutions in the topical areas of placement and printing & dispensing. Our exhibiting partners will provide a demo, a short technology-based presentation and specific application support.

**\*Please arrive 5-10 minutes before departure time.**

**\*Tours will depart from the front of the Exhibit Hall near the Registration area (see map).**

**\*You are free to join and exit the tour as your schedule permits.**
